

## Become a part of Brighton schools history!

The [Brighton Schools Alumni Association](#) (BSAA) has designed and, with the help of Brighton High School (BHS) students and staff, helped construct a Courtyard Garden in an area formed by additions to the high school. The design includes several benches purchased to honor past classes and individuals, and a "Baron's Walk" of pavers woven into a brick pathway throughout the courtyard. Pavers are still available for purchase, with funds going to support courtyard maintenance and other BSAA projects. You can have bricks personalized to recognize yourself or a graduating student, students of all ages, families, district teachers and staff, friends, BHS sports teams, or a reunion class. (No commercial sponsors.)
